“A Wolf In Sheep’s Lab Coat”: Pseudoscience Notes and Search

Directions: As you move through our powerpoint presentation today, please feel free to make notes where you deem appropriate. (The powerpoint will always be available to you on the homework website, so don’t worry about copying everything down!) The following are some terms and concepts of which to make special note.

1) Pseudo = __________

2) Pseudoscience =

3) What are the identifying characteristics of pseudoscience? (From “10 Things to Look For”) Please list.

4) Now, using the information we’ve gathered, please find a website of any kind that you feel exhibits pseudoscientific reasoning. Write the URL in the space below. On the back of this page, please describe the site and why you believe it’s pseudoscience. Be sure to use specific traits from your list above!
